

Suggested e-mail to friends to sell tickets for the needy children at Luke Air Force Base

I'm writing to ask you to help me raise funds for a very worthy cause. As you probably know I am a member of the 9-hole golf league at Sun City Grand and every year since 2001 we have raised money to support the needy families of our troops at Luke Air Force Base.

As many people are not aware, hundreds of our troops and their families qualify for food stamps. Last year our golf league adopted 48 children from 30 families. Will you help me help our league do more?

We are raffling a new 2010 Yamaha golf car and the tickets are \$20.00 each. You may not need or want a golf car, but if you are lucky enough to win you can sell it, use it to upgrade your current golf car, tulle around your neighborhood in a golf car you never thought you would own and in the process you have helped a needy family. To help support our effort, five local restaurants are providing coupons worth over \$30.00. If you frequent these establishments, you have supported a worthwhile cause, got a chance at a golf cart and received more in discounts than you paid for your ticket.

If you agree with me that this is a cause worth supporting and you are willing to Support Our Troops, please return this e-mail and I will get your ticket(s) and coupons to you.
